

BIJOUX DE FAMILLE
PRE SS16 COLLECTION

WORLDWIDE COLLECTION

Blue, white, red.
Black, red, yellow.

The lines are almost the same, the colours change.
A flag then another, lines moving, getting closer,
pulling away and meeting again.
If I'm the Queen, be my President.

And rule me.

Make me wear your colours. Green, blue, white,
I'll turn them into flowers necklaces.
Where everything
come together, where we meet.

And smile at me.

Symbols becoming words. One after another,
with a rainbow farandole, everything is said.

I am the Queen and you are my President.
