

BIJOUX DE FAMILLE

## STARLIGHT FW 14/15

Even farther.

The sky, an asteroid, a comet, plain then another. Countless others.

The celestial map comes into sight, constellations form, patterns are revealed.  
They crisscross and mingle, a feast for the eyes. Each sign a prophecy foreseeing  
splendor only.

A rain of glitter showers colored nebulae, scattering them with an infinity of crystals.  
The moonstones explode of thousands of fires, lighting up to better guide us.

It is a journey across space and time...

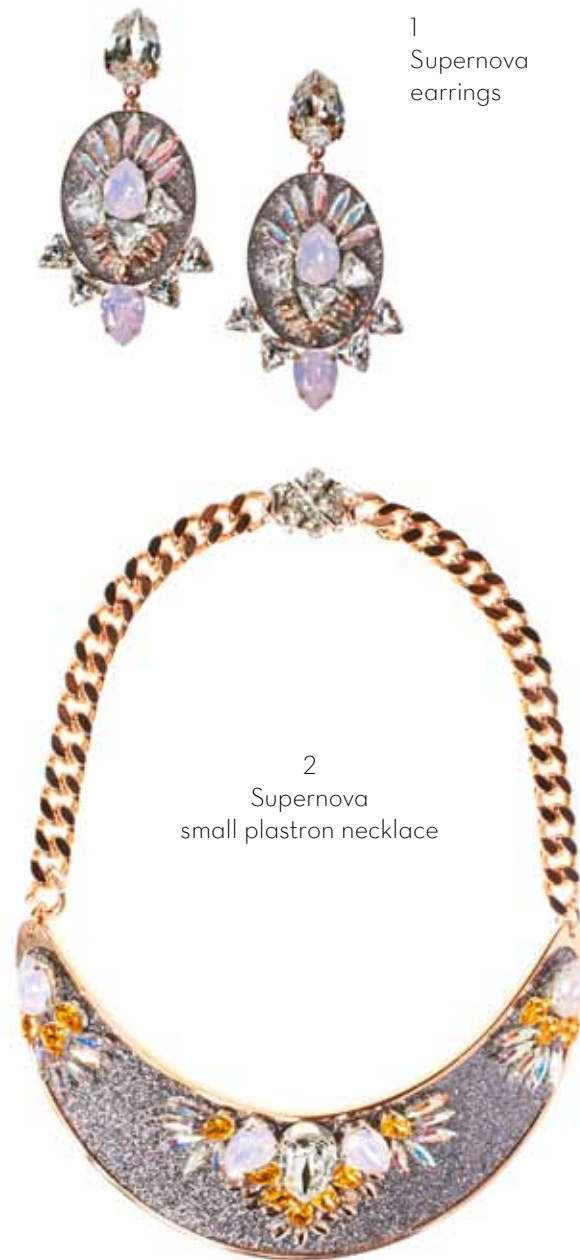

Encore plus loin.

Le ciel, un astre, une comète puis une autre. Plein d'autres.

La carte céleste se dessine, les constellations se forment, des motifs apparaissent.  
Ils se croisent et s'entremêlent pour le plaisir des yeux. Chaque signe, comme une  
prophétie, ne présage que du faste.

Une pluie de strass vient se poser sur les nébuleuses colorées, les parsème d'une infinité  
de cristaux.  
Les pierres de Lune éclatent de mille feux et s'illuminent pour mieux nous guider.

C'est un voyage dans l'espace et le temps...
