FAMILY AFFAIR

This day, when you find the old and dusty box full of treasures, in the family house.

Pictures, jewels, souvenirs...

#abc which meaning have those letters brooches ?
Did they know the name of the secret grandma's lover ?

#defgh create yours and #pimpyourjacket
Put a smile on it, wear your gang.
This eye on your back will be your lucky charm.

Early 20th century meets the 90's,
when your mum used to wear those crazy opulent hoop earrings of her favorite designers.
To look like her, you, little girl, played with fruity pink cherries on your ears.

Mix the styles, put this 80's heavy chain with the old cameo medallion of your ancestor
and build your own
