## From New-York to Mumbai

To live in New York and travel to Mumbai. To follow the strict lines of art déco buildings, pay in dollars, then journey into colorful palaces, a few roupies in hand. Breakfast, from Tiffany to Bollywood... Brooklyn and its rappers, India and its deities.

Wall Street versus Gandhi.

A brazen meeting where maharajahs' pearls and colorful stones live alongside New York undergrounds' gold chains and spikes. Financial district trader or Indian princess, money becomes a canvas for adornment, the promise of a luxurious getaway.

## From New-York to Mumbai

Vivre à New-York et voyager à Mumbai. Suivre les lignes strictes des buildings art déco, payer en dollars, puis s'imprégner des palais bariolés, quelques roupies en poche. Breakfast, de Tiffany à Bollywood... Brooklyn et ses rappeurs, l'Inde et ses divinités.

Wall Street versus Gandhi.

Une rencontre insolente où les perles et pierreries colorées des maharajas côtoient les chaînes clinquantes et les clous métalliques de l'underground new-yorkais. Trader du financial district ou princesse indienne, la monnaie devient support de parures, promesse d'une luxuriante évasion...
