

Beach Paradise

Un merveilleux voyage.

Une île puis une autre, de Hawaï à Tahiti, à la recherche de nouveaux trésors.

Les profondeurs de l'océan, motifs psychédéliques, brouillent la carte.

Elle conduit sûrement aux plages idylliques où le sable est de cristal et les coquillages irisés comme des pierres précieuses. Des cascades de perles nacrées doivent probablement dégouliner d'un coffre oublié.

Au loin, un oiseau s'envole laissant çà et là quelques plumes multicolores.

La forêt s'en empare, s'en pare, ses feuilles aux allures extraordinaires. Opulente, elle exhibe ses fleurs exotiques, des bijoux aux couleurs étonnantes.

Soudain un tigre surgit, rugie. En suivant ses taches, on doit pouvoir trouver quelque chose...

Le trésor est là, empli de merveilles. Des billets du monde entier se mêlent aux pierres colorées, aux flots de perles.

Le voyage continue.

Beach Paradise

A wonderful voyage.

One island, then another, from Hawaï to Tahiti, on a search for new treasures.

Psychedelic motifs of the ocean depths cloud up the map.

It certainly leads to idyllic beaches where sand is crystalline and shells are iridescent as precious gemstones. Cascades of pearls must flow out of a forgotten treasure chest.

In the distance, a bird takes flight, leaving behind a few multicolored feathers.

The forest seizes them, adorns itself with them, its leaves in the extraordinary looks. Opulent, it showcases exotic flowers, amazingly colored jewels.

Suddenly, a tiger appears and roars. In following its spots, one must be able to find something...

The treasure is there, full of wonders. Bank notes from around the world mixing with colored gems and streams of pearls.

The voyage continues.
