FAKESHION

FW16

There is only one thing that becomes un-
fashionable and that's fashion itself but
FASHION IS NOT DEAD.

Wear it like a talisman
And Karl would create fashion #karlisgod

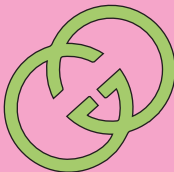

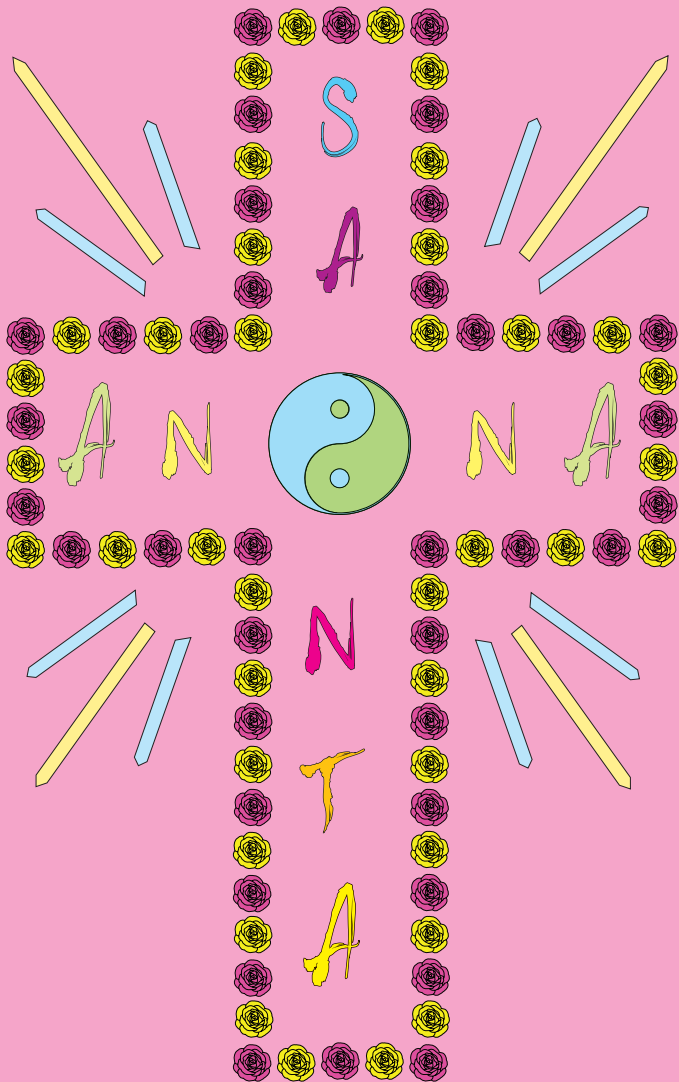

Wear it like a life slogan
The logos, powerful potent symboles are
religious signs; worn as rosaries on your neck
#holyfashion

Wear it like a rallying sign
Peace and love, be happy, be crazy and
#makefashionnotwar

Love it
Hate it

It'll make you an icon, a star, dressed so never
forgotten.

Fashion is not dead,
Fashion is your cross.
